## **LOVING GOD, LOVING HIS PEOPLE**

### **FIER CHURCH OF CHRIST AUGUST OCTOBER 2017**

#### **August 2017**

We are blessed with our new addition Argis to our family. God has blessed us abundantly. During August I have been focused on the family and helping Vosjana and waiting for her recovery after a cesarean birth. God has been working with us and through us to touch the lives of people here in Fier. Among the classes that I have during the week with the students, I also visit people during the mornings and sometime offer help when I am asked. As we live our lives we sometimes don't pay much attention on the impact that we leave on other people lives. So a better way to spread the Good News is to live what you believe.

##### **National Meetings.**

Early on this month we attended Bible bowl which is now an annual meeting for the Churches of Christ. It was great that we had a group of teenagers, coming together visiting with others friends and brothers and sisters from different cities. Also we continue with our Bible Studies and Classes with students that I have during the week.

#### **October 2017.**

During this month we have been focused on building bridges with the couples or the families that actual live here in Fier. Which sometimes it is difficult, employment rate is very low. And always the man of the house has to provide. Sometimes they are forced to leave Albania and go work in Greece or Italy for a couple months. We have been in contact for two years now with a Family a young Couple Defrim and Floreta. They have a daughter 11 years old and son 5 months old. Defrim went to Greece two work. And that makes difficult for me. But Vosjana is in touch with Floreta all the time, Even Joel one day asked Floreta why are you not baptized, we don't were he heard us talk about this but he asked. Children observe and learn and practice.

On last week of October we did have a little retreat with other preachers and we went in Korca which was a great and encouraging experience. We did spent a night there together with our families. Our kids got to spent time together., our wives too. Which for Vosjana was very encouraging time, it seems it is hard work to be a preacher's wife. God has blessed our time there.

## **Growing Spiritually Galatians 5:22.**

This was the topic that we had For our Little Retreat with the Church, we got together and spent a night to a hotel, and studied together for about 6 hours in total. We took every single one at the fruit of the Spirit and studied them how to apply in our lives and how this will help us grow spiritually? We had a very encouraging time together. Got to know each other better . And spent a very valuable time on God's Word.
