Though you have not seen him, you love him; and even though you do not see him now, you believe in him and are filled with an inexpressible and glorious joy...
(1Pe 1:8 NIV)

Dear brothers & Sisters,

What an amazing and uplifting words we hear from Christ's eyewitness! When we love Christ the evil cannot destroy us, darkness cannot overcome, fear cannot enslave, hate cannot succeed, and iniquity cannot reign over us. If we trust him the waves of the sea won't move us, beautiful lies won't deceive, the pain won't last, and sin won't survive. Even though we have to go through the fire we won't be consumed. Even though we have to go through sufferings we won't be forgotten. Even though the darkness surrounds us we won't be lost. Because we walk, speak, and fight by faith and not by men's wisdom.

Bible class

We keep thanking God and for his word which is able to transform us and save our souls. We are continuing the series lessons on Paul's life. This time we were challenged from Acts 15:36—42-16:1-4 on the topic; "What was Paul's purpose?"

Sunday worship,

Always thankful to God for the true hope that we have in him. Altin challenged us from 1 John 1:7-10 – What is our spiritual condition? A question this that all of us may ask often.

But praise be to God that gives us strength to overcome our physical conditions by walking on a secure spiritual way. Let us continue to love Jesus and continue to trust in him no matter of what our physical conditions are. God will make a way for us so that we can overcome and destroy all the works of the devil through his Word.

BE HOLD THE KING OF KINGS IS HERE!

There are many things that we are afraid of, even with people we try be careful what we say. Sometimes we tend not to share our faith with others because we are afraid that we will not be accepted on our society, and some would be afraid to do so because will lose their jobs. But we forget that our Lord Our King is here and He is control.

For this very reason we know for sure that the Lord is control and there is nothing to be afraid of. We are doing our best and all we have that the Lord is here and ready to save all those that are lost.

Our Bible Class

We are continuing our Study of the “Life of Paul” As we are traveling with the Paul in His mission Trips I challenged with the Questions what is the purpose of Paul’s life? What is the purpose of your Life? Why was Paul doing what he did? And the question for us why we are doing what we are doing?

Worship Service

We are thankful to God that he allowed us to be together and worship Him. For God gave us instruction to remember Him and live according to His commands. Edi challenged us to stay focused on Jesus on Him where we putted our trust in. (Mt 14:23-33).

Prayer Requests

Pray for our contacts, that God will open their eyes to see His light in our lives. Please pray that God will strengthen us as we are serve Him in His field.

...do it all for the glory of God. (1Co 10:31 NIV)

Dear brothers and sisters,

It is amazing to know that God emptied himself in order to fill our souls with the greatest assurance and great hope, and he gave to us the greatest love and understanding! And we know that all these statements are true for us when we glorify God if we empty our sin from our lives and by filling it with these great things that men ever heard, ever saw and never thought in his mind.

Knowing all these amazing truths the subject of our lifestyle is "God's glory!" For we believe and therefore we speak. We reflect and therefore we proclaim.

Bible class

We are still continuing our series on Paul's life. This time Altin challenged us on Paul's purpose (Acts 17).

It is amazing to know Paul's purpose is always Christ. When we look at the life of Paul and comparing it with ours we find a lot of things that are missing to our faith. But thanks be to God's word who challenges us and strengthens our faith.

Sunday worship

As always we thank God for his faithfulness and his amazing grace and his perfect righteousness. Altin challenged us from John 14:1-6 on the topic how do we know that we will enter into God's home?

Brothers let us continue to glorify our Lord in whatever we say and do for he will continue to bless us with greatest gift ever, "eternal life!"

Prayer request

Please keep praying for God's work in Fier and keep praying for us.

To His glory and power,

Altin Edi and the church
