

**TO THE ONLY GOD OUR SAVIOR BE GLORY, MAJESTY, POWER AND
AUTHORITY, THROUGH JESUS CHRIST OUR LORD, BEFORE ALL AGES, NOW
AND FOREVERMORE! AMEN. (JUD 1:25 NIV)**

As the times goes by, you change, your financial status change, your status in society change, but the Lord of your life should not change. So as we go in the society we may come to know more people and they may show a great respect to us **Glory be to the Lord**, as we live our lives we may be blessed that our financial status changes **Glory be to the Lord**. You may change the life totally as God asks on the Bible, **Glory be to the Lord**.

We should not let this changes on our lives, distinguish the Lord of our lives. **THE LORD OF OUR LIVES SHOULD JESUS CHRIST. TO HIM BE GLORY FOREVER AND EVER.**

As we go in the society of Fier we don't allow our status to define who we are, but through God with humbleness we proclaim His message. We are continuing daily meeting our contacts, we are encouraged by God's Work even though it takes time and patience but to the end it gets the fruits.

Bible Class

We are continuing our study of Galatians and we studied the 5th chapter, God is continuing to challenge us through His Word, to be free from the slavery and to let the Fruit of the Spirit rule our lives.

Ladies Class

We were encouraged by the fact that the ladies are going to have their own classes, so that they can encourage one another and help another. Also we have encouraged them with God given capabilities to help one another, one knows how to cook teach those that don't also for sewing one that knows will teach that don't know and so on. This class was taught by Edlira Cuni, we have been told that she spoke about **"Thankfulness"**. The ladies class for now would be once in month, hopefully later it would be more frequently.

Youth day 9th April

It was encouraging to see young people from all the Churches of Christ here in Albania to come all together. Were about 250 young people. 12 from Fier actually we started at 14 but 2 at last moment were not able to come.

Also it was encouraging to us to talk on skype with brothers from state on that day too, thank the Lord that provides blessings from one part of the world to another part.

Sunday's Worship Service

We thank God that allowed us to be together on the first day of the week to Worship Him. I had the blessing to share with the brethren From **(Jeremiah 7:23)** What is in our mind? If we have godly mind thinks and acts like God's comands, than we obey His Comands and He will be Our God and we will be His people.

Prayer Requests

Please pray for Ketí's health, she is still on recovery mood, please pray for her husband too. Continue to pray for our new contact Dritan, as we are trying to build redemptive relationship with him. Pray for us as we serve the Lord In Fier.
