

This is a trustworthy saying. And I want you to stress these things, so that those who have trusted in God may be careful to devote themselves to doing what is good. (Tit 3:8 NIV)

We are being blessed that God has provided the place where we can trust that is He Himself. For this reason God calls our attention as long as we are under His covenant we are obligated to fulfill His laws. We as Christians are obligated to stress these things to everyone that has put His trust on God. As we are focused on the good work we will be able to call the attention of the lost. Sometimes we are being refused, but not discouraged, and sometimes we are forced to go through hardship but again we not give up. We trust in the Lord and the Lord Himself will not let His own to perish.

Wednesday Bible Class

We now are in a new topic on our Bible Classes it's about **"God's Power"** Edi is teaching this class, we are studying where we have to put our faith? Not on gods made by men, but on the real God on our Creator. We have to have faith and hope on the Lord and not to look someone else to predict our future our future is always with the Lord.

Sunday Worship 'Service

We thank our Lord Jesus Christ that allowed us again that we may gather together on the first day of the week with the brethren here in Fier, to worship Him. For it is through Jesus Christ we are allowed to come in the presence of the Lord, For it is through Jesus Christ that we can call one another Brothers & Sisters. Edi shared his Lesson with us **"Is it worthy to serve the Lord?"** from **(Matthew 4:19-22)**. For we serve a Lord that is Real a God that never perishes and God that always is faithful.
