

## **...THE ONLY THING THAT COUNTS IS FAITH EXPRESSING ITSELF THROUGH LOVE. (GAL 5:6 NIV)**

Dear brothers and sisters,

The power which activates our faith is God's love!

You cannot turn on a car without fuel, a computer without a power. You cannot breathe if there's no air, can't feel without having a heart. You can't find the truth out of the Bible, cannot find salvation out of Jesus. As fish cannot live in the air, donkeys cannot live in the water and men can't understand without reasoning; so it is with faith, it cannot be expressed without God's Love!

Our faith is not based on man's power or wisdom; our faith is expressed through God's love, which is the power who works within us by doing more of what we can think or imagine! Faith expressed through God's love surpasses all wisdom, all powers and triumphs over all things! Knowing this wonderful truth about our true faith in God we go out and express it into this world of darkness! Sometimes when we lose focus we know where to fix our eyes, we keep focusing on Jesus!

### **Wednesday Bible classes**

We continue to get challenged by the word of God; we are still studying about Jesus and his reaction to different people in different situations. This time we studied; "Jesus being wise for the good and simple for the bad." We were challenged not to have compromises with the truth, fleshly desires confuse us and we find hard time by questioning ourselves either they are good or bad! Yet we need to activate our alarm system for the sin making it simple to detect.

### **Children class,**

This time we had an excursion with the children near by the sea, we had a blessed time having a lots of fun and activities together! It was a blessing also to spend some time also with some of their parents and some members of the church who assisted us to have a better time there! We thank God that each part of the body is contributing for to build up His kingdom. We were also blessed to have our brother Art Hit which usually comes and encourages us and God's work in Fier.

### **Sunday worship,**

On Sunday we had a blessed time worshipping the Lord our God! Altin challenged us with; "I want to know Christ" (Philippians 3: 1-10)! We also were encouraged to have Albert & Jona, Art Hit worshipping together with us.

Prayer requests,

1. Keep praying for us and God's work in Fier
2. for the unity of churches of Christ in Albania

To His glory and power,

Altin, Edi and the church
