

There will be trouble and distress for every human being who does evil...but glory, honor and peace for everyone who does good... (Rom 2:9-10 NIV)

Dear brothers and sisters,

We know that no one or anything can change God's standard yet everyone can change theirs. If we start and build up our mindset based on our own truths we withdraw a big punishment at first on ourselves. Instead of having peace we will find trouble and distress, instead of glory and honor we will find shame and disgust.

Yet, it is always a real blessing to remain on God's accurate, incredible and absolute truth! We know that our God is light and there's no darkness in him. God is Love, life and Mercy; he is Peace, Power and wisdom; our God is Holy, Righteous and True. God cannot disown himself and he doesn't show favoritism.

Knowing all these truths about our God, we continue to change and transform ourselves toward his likeness. We continue to reflect and proclaim him to the lost people.

Thursday Bible class

We are continuing the narrative (first person) series on Jacob concerning to the blessing. This time we were challenged how to keep the blessing? And Jacob told us 5 things!

Sunday worship

It is always a wonderful blessing to see people who worship the same God you worship, who trust the same God you trust, and praise the same God you praise. We continue to thank God for our brethren in Fier. And my prayer is that they might grow more and more in God's love. Altin challenged us with the question; "is God's love on us?" (John 15:10-11)

We continue to rebuke, correct and challenge "everyone" who remains on what is evil. Yet on the other hand we are ought to continue to respect, honor, encourage and admonish "everyone" who remains on what is good.

Brothers keep praying for us and God's work in Fier.

To His glory and power,

Altin, Edi and the church
