

We are more than conquerors through him who loved us.

(Romans 8:37 NIV)

Dear brothers and sisters,

When we think and see God's mighty works it so amazing and so uplifting! We need to realize that there is a great power, great joy and great hope in God's love! Being conquers and victorious is so great but the truth with those who trust in the Lord is even greater, we are more than conquers through Christ who loved us by giving His life for us and by being raised from the dead so that we might be, forgiven, loved, saved and filled with joy!

God has called us to show and reflect His power of salvation which is Christ and His wonderful and amazing love! We are called to fight and destroy all the hate, selfishness envy and pride with God's mighty love which works in us!

Summer Camp Last Week

We thank God for the last week for the opportunities and the blessings that God has given to us! We are much excited about the camp that happened this time! It is amazing to know that 13 new souls came in Christ during this three weeks period of the camp! Personally I was in the 3rd week and I can tell about the two souls that came in Christ through baptism, one is Melisa Aruci from the church in Durres and the other one is Tila Bedria which is from Fier (see photo gallery on our webpage)!

We continue to thank God for the church and other contacts that we have in Fier!

On Wednesday bible classes, we are still studying about offense! All of us were challenged from God's word to not be an obstacle for our brothers!

On Sunday we came together and worshiped the Lord our God! I had the blessing to share from God's word about His Grace and Love (Zachariah 12:10; Ephesians 2:8-9; 1 John 3:1)!

We are grateful to God for all the big family that He has blessed us with so that we can see His glory on each other!
