

Coming to know God (Acts 17:26)

Every one of us is placed on that place of planet of the world where he or she is living the life that God has gifted on him or her. And it happens that not everyone stops and turns and begins to examine the life that has lived so far, to find the real purpose of life. Why is living that life that she or he is living? But when you come in contact with God and His people you realize that you need to stop and analyze your life and see what it is the real purpose of your life is? Whom you are serving? Every time that do that kind of examination I always remember Acts 17:26-27)

26 From one man he made every nation of men, that they should inhabit the whole earth; and he determined the times set for them and the exact places where they should live. 27 God did this so that men would seek him and perhaps reach out for him and find him, though he is not far from each one of us. So God does know whom we are serving where we are going. Because God made us to be born in the place that we are born to live in the place that we are living so we may come to know Him and to serve Him. This it would be a good analyze of the purpose of the life being focused on God for your entire life.

Our Week...

We are blessed to see the world in another point of view, we see people as potential people who can change and can change the world around them. The most of the week it has been raining and we have not made any meeting with new people because most of the people during rainy day they do not go out to much. The contacts that we do have like with Ilir, Klodi we did met them during the week.

We did visit some with Tom and the couple that are missionaries in Korca Kevin & Alison Morrill and we had lunch with them it is good to meet others that serve the Lord to share the experiences and encourage each others.

Bible Class

We did gather on Wednesday, we were about 9 people studying the Bible... and we did study Romans chapter 9. Who are the sons of promise The sons of promise are only those who are born from the Spirit of God who are led by Him, are those who are called and justified according to God's promise, are those who want to attain God's righteousness through Faith and not

according to their fleshly works. You will be able to find an outline of chapter 9 on our page of Bible class. Sunday Worship We are being privileged to gather every first day of the week worshipping the Lord...and in such occasions we try first to call the attention of the members that come to worship to focus on God and to let away every possible distractions away. Last Sunday we tried to help them to focus only on what God has done for you and begin to thank God for what you have. Edi challenged us with his lesson “What is the most important thing in our Life (Ecclesiastes 9:13-16) challenging to understand the value that comes from the Lord that is the real wisdom. And also challenged us not to be sinner who destroys everything that is good! But to be wise and example of light and to help the others appreciate the good. Prayers Requests Pray for the opens doors that God already open to us that we may be vigilant and seeing those possibilities as something that God want us to work with.
