

When the storm has swept by, the wicked are gone, but the righteous stand firm forever. (Pro 10:25 NIV)

Dear brothers and sisters,

It is so encouraging to know that once made righteous in Christ and continuing to remain so, we stand firm forever! There's neither tsunami nor a tornado that can destroy the righteous and if we doubt that Noah will help us. The waves of the oceans cannot destroy the righteous; if we question that we have to ask Moses. The storm cannot put us down; if we are unsecure for that we have to ask Jesus. What a faith, trust and confidence we have in Jesus? Knowing all this truths about our God we continue to make him known to the lost people in Fier and everywhere we go.

Wednesday Bible classes

We are still studying on humbleness; Altin challenged us with the word of God and gave us some examples and symptoms of pride. We thank God that gives strength to the humble and puts them on a rock and solid foundation which is His truth.

National men's day of churches of Christ in Albania

On Saturday, we had a blessing to come together in Tirana at Red School Church of Christ with all brothers from all over Albania. The guest speaker was Steve Stamatis he did an outstanding job by reminding us of "who we are" and he made a strong contrast between God vs identity of Devil! A true man of God does not serves God because "he has to," but because "he wants to" and that reminds me the "ancient tree and the ancient snake." One of the phrases that inspired me on that day was; "The evil has not win, it has never won," whatever happens we have to remind ourselves that we are of God and not of Devil we know the enemy and we know for whom we fight for.

Sunday worship,

It is so uplifting to see other people with different backgrounds, different ages, and different appearances, gathered together in one mind and soul worshipping the same God, the same Savior and being challenged by the same truth. Altin challenged us from Romans 15:1-7 "our responsibility for one another!"

We thank God for all you brothers and sisters who continue to lift up Jesus name into this world, that he loved and gave his life.

To His glory and power,

Altin, Edi and the church
