

**AND DO NOT BE CONFORMED TO THIS WORLD, BUT BE
TRANSFORMED BY THE RENEWING OF YOUR MIND....
(ROM 12:2 NAU)**

Greetings Brothers and Sisters

We as Christians have been called to be different; God has high expectations for us. For since He has given His best for us. For This very reason we are called to be transformed by renewing of our mind in order that we may rich the fullness of Christ in our lives.

**We striving to be transformed and
Helping others to be transformed...**

This week has it been special in itself, since we were doing VBS, also on this time we used our contacts even though we announced on the city through our flyers. A group from the State came to help us, Ruth Byrne, Sandy Yale Chathy Green and Brenda Booker, also a group from Church of Christ Durres came to help us, Cimi and Anila, Sulela and Michael. Suela and Michael stayed the whole week, and I hosted them to my apartment.

The flyer that we handed it out

here some kids playing it Suela from Durres teaching it.

Wednesday Bible Class

We are continuing our studying on our topic about **"Forgiveness"** so far we have studied **"How to forgive"** And coming Wednesdays we are about to study **"How to ask for Forgiveness"** These two things

are easy to quoted but very hard to put them into practice. So God invites us to forgive one another, but also to correct one another so that we may not fall from Grace.

Sunday Worship Service

We thank God that allowed us to be together worshipping Him. That is always a great joy to remember that our God is a powerful God and that He has all things in control. And remembering the greatest thing that He has done sacrificed His only Son for our life to be saved and transformed into a totally new person. **We find Joy only in the Power of the Lord Nehemiah 8:10** this was the lesson that Edi shared with us.

Prayer Requests

Keep praying for Ketì, she is having health problems and that this has prevent here not to come to the Bible classes and Worship Services.

Please pray for Klodi, we have started on studying now Bible and English, so please keep on your prayers that he may be open and accept the Truth.

Pray for me and Edi as we go on the field to build redemptive relationship, that we may be focused and helping the others to know the Truth.
