

But you, LORD, are a shield around me, my glory, the One who lifts  
my head high (Psalm 3:3)

Dear brothers and sisters,

It is wonderful to know and experience such an amazing truth; “JESUS is the ONE who lifts our heads high...”

Christ never let us down He is faithful and True, he is our rock and our fortress, our Peace and righteousness, Jesus is the author of our faith and the author of our lives! Jesus is our Great God and Savior the Eternal King the only God who is worthy to be praised!

Brothers honestly, it is a great joy to proclaim Jesus in our daily live basis by building redemptive relationships!

As you now in each of your areas there are lots of people who are without hope, broken hearted and forsaken also here in Fier are lots of these kinds of people! People are so disappointed so that they do not trust anyone! I remember one day I saw a crippled man who had fallen on the ground and he couldn't stand up I asked Him to help and drive him to his home; he replied: “how much money do I have to give to you?” It is so sad that people don't have the concept of grace, we as people relate everything with money ignoring the face of what money can buy and what money cannot buy!

We pray and hunger to reflect our God to the lost people; they have to know that there's someone out there who has grace and love for them, they have to know that there's someone who lifts their heads high!

### **Our Bible class on Wednesdays,**

This time we studied the sixth chapter of Galatians! Altin challenged us with some meaningful questions that rose from that chapter! We know that our flesh must be substituted to the Spirit of God not the spirit of God to our flesh! We know that when we become Christians we start, walk and run in the spirit but on the way we fall down and end up to the flesh! What we need to do is to keep walk with each other to remain in the spirit on to which we were called from the beginning!

### **Sunday worship**

We know that our God is ALWAYS worthy to be praised, we know that everything in His Temple says; glory and we know that we as Christians gather to gather to celebrate

the resurrection of our Lord Jesus, to examine ourselves and to encourage one another for good deeds! I had the blessing to share and get challenged with the church on “Let us aim Jesus!” (Proverbs 24:9)

Continue to pray for us and God’s work in Fier!

To His glory and power,

Altin, Edi and the church
