

Time is short

Have it ever happen to you when you have said I will do it tomorrow or I will do it latter!? This is a good tool that Devil is using very effectively among the saints, everyone that does this, and leaving something for the next time it is deceived. God says time is short devil says there is plenty of time just take it easy.

We need to have a deliberately life, behavior, word everything that we say or do should have a reason on doing what we are doing “Redemptive relationship”.

The Bible it can be our life how we treat each other based on the standards that God has written.

The Lord Jesus Christ tells us to be ready and awake, for we do not know when He will come back. He also tells us on **(Matt 9:37- 38)**. *“The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.”* Everything its ready and we need to be alert and ready to use every opportunity as the last one.

We are trying...

We are trying deliberately building redemptive relationships...it is hard because we are going to turn their attention on something that they never thought about or care about. We are still at work with people that we already know in Zharrez, also with people that we know at the Nursing House. We are trying to turn their attention on God perspective. Also we are trying with brothers and sisters in Christ helping them to find their capabilities and use them, helping them to understand the responsibility that every one of us has as Christian

Bible Class

We are now studying the last class on **“Worship”** and it is **“The Lord Supper”** The attention of these series of lessons about **“Worship”** was to help the audience to have a better view of whom they are worshiping. Next Term which would be on 5 May is **“How to contribute on Building One another up”** This is helping to

build a good relationship with one another and helping one another in any specific need that may come up.

Sunday Worship

We gathered on the first day of the week in remembrance of the sacrifice that our Lord Jesus Christ made for us. Edi preached from **(Proverbs 27:19)**. *As water reflects a face, so a man's heart reflects the man.* The words are speechless in front the actions, words and actions must match, belief and action must match. In order to be in a good relationship with the one asks you to believe on. God's Word is the mirror of our life, Jesus is the Cleaner of our past in order to make use able to come in front of the Lord to continue the journey with Him.
