

See, I have engraved you on the palms of my hands; your walls are
ever before me.

(Isa 49:16 NIV)

Dear brothers and sisters,

We are not engraved on sand; tough waves cannot erase us, we are not engraved on woods; the moth cannot crunch us, we are not engraved on metals and stones, no one neither anything can rob and damage us! We are on God's hands and no one can snatch us out of his hands; our walls are always before His eyes, nothing can take advantage of us!

It is always wonderful to know that when the walls are broken, mountains tremble, the seas get tough, and the earth is shaken, yet those who trust in the Lord remain still, and they cannot be moved, because they are engraved in His mighty hands!

Encouraging the lost people to get shaped into God's palms...

It is a real blessing to proclaim such a wonderful God in this city! We continue to confront some of the lost people in Fier with the gospel of Jesus Christ! We thank God for all the contacts that we already have and pray that God's love and mercy may open their minds and souls!

Challenging one another to remain still in God's hands

We continue to be thankful to God for the church in Fier and for all Churches of Christ around the earth! Our God is Righteous and True! Often we as God's people get discouraged from the challenges that we face during our lives, yet through our challenges God receives glory! We thank God for the members of the church in Fier even though they have been going through tough times they have remained in God's hands and we thank God for their faith!

On Wednesday bible classes

we are still studying about holiness, last time all of us were challenged from the word of God about God's work and our responsibility that we must have toward each other in order to remain holy!

On the Lord's Day,

we gathered together for to worship and glorify the Lord our God, the same God you worship and glorify! Altin challenged us from the word of God, **for to give all the glory to God** (Proverbs 27:1-5)! We are grateful to God for all the blessings that he has given to each one of us!

Being thankful to God for your prayers

1. We thank you brothers and sisters who continue to keep us in your prayers

4. We are thankful to God for Kresi (Burbuqe's daughter) she is doing better now and we praise God for that
