

“...love one another deeply, from the heart. (1Pe 1:22 NIV)”

Dear brothers and sisters

There are people in my life and there's no doubt also in your lives that we appreciate them a lot and we try to give to them all our time and energy because we love them deep into our hearts! By this we realize an amazing truth about our brotherly love; it is true, deep, pure and sincere!

For we do not have the spirit of division, concurrence, destruction, hurtfulness, disappointment and that of deceitfulness! God gave us and blessed us with the Spirit of love, joy and self-control.

We continue to thank God for you and for the church in Fier, and we continue to fight not only for our brothers and sisters but also for the lost people.

As we walk around each day our spiritual eyes target the pain of sin, our ears hear the voice, and our hearts feel the pain. We are not called to against each other yet we are called to fight for each other! We are not to fight people yet we are to fight for people!

During our **“Bible classes on Wednesday”** we are still studying about God's power! Many people think that power is in money, strength, mystery. Yet few realize that power is in God; in love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. These reproduce a great power and nothing can resist them.

On Sunday we had a blessed time with the church worshiping the Lord our God! Altin encouraged us with this question; **If God is with us who can be against us...?** (Rom 8:31-39) It is wonderful to know about this truth and If we are with Him who can be against Him...? We are called to please God and walk according to His Word!

Prayer requests,

Keep praying for Ketil, she is pushing her surgery because it is complicated and delicate, and doctors do not have the equipment here in Albania and do not give any guarantee to her! She might need to have that somewhere outside of Albania!

Keep praying for us and the Church in Fier.

To His glory and power,

Altin, Edi and the church in Fier
