

FOR WE ARE GOD'S FELLOW WORKERS; YOU ARE GOD'S FIELD, GOD'S BUILDING. (1CORINTHIANS 3:9 NIV)

Dear brothers and sisters,

It is always wonderful to know that we are not apart from each other yet in Christ we are one body! Even though we work with different people in different locations and with different cultures we all work for the same God, we all glorify the same Father!

We are so thankful to God that we are fellow workers for Christ's sake; we all are God's people created for the good works to lift high God's name in this world!

On Sunday worship I thank God that I had the chance to be together with the brethren in Fier to encourage and glorify the Lord our God! I delivered the sermon on the topic does God really care for us? (Jeremiah 31:3)!

I thank God for all your prayers; praise God I'm doing (physically) better now! During the last week I have been in my apartment in Durres and my parents took care for me!

We are also thankful to God for the camp here in Albania, on the first week Eda (one of the members of the church in Fier together with her mother and aunt) expressed the desire to help in the camp on the first week with the kids! And we are encouraged by their desire to help and contribute!

Also thankful to God for Altin & Vosiana who contributed last week on the camp with young adults!

I'm thankful to God that I have the chance now to be in the third week with brothers and sisters in the camp!

Prayer requests,

Please continue to pray for the health of Kresi (Daughter of Burbuqe) & Bruna

Pray for my parents, my mother lost her sister please keep her in your prayers!

Continue to pray for my health

Continue to pray for God's work in Fier

To His glory and power,

Altin, Edi & the Church
