

We know that we have passed from death to life, because we love our brothers. Anyone who does not love remains in death. (1 John 3:14 NIV)

Dear brothers and sisters,

When we think for God's family it is a wonderful, living, powerful and everlasting one! The reason why the world still exists today and the reason why Christ's Church is alive is because, "He is Life, Love and Power!"

But praise is to God the Lord our Father and Jesus Christ for we chose to love and continue to love our brothers and sisters!

Knowing this wonderful truth about God's family we long for the lost people to become part of the living church! We go through the streets of Fier ready to reflect the life that is in us! And we continue to thank God for people to which He leads us to.

#### **Wednesday bible classes**

Since we finished studying Galatians, this time we continued to study lesson series on the subject; "Jesus our example" (how Jesus reacted to different people in different places for different reasons)! It is great to know that Jesus was always focused and on the mission yet it is even greater to imitate Him!

Since we are in election time here in Albania, I had the chance to make a list of all types of people Jesus met and each of us voted the type of person(s) by which we identified ourselves (good and bad examples)! It is a good start to start at our self first!

#### **Sunday Worship**

We had the blessing to come altogether as church to worship the Lord our God! I had the blessing to share with the church about "remaining and belonging!" (1 John 2:19)

We continue to thank God for all of you brothers and sisters who continue to remain in God's Word because doing so we live, love and belong to Christ and his Church!

To His glory and power,

Altin, Edi and the church
