

**IN THE SAME WAY, LET YOUR LIGHT SHINE BEFORE MEN, THAT THEY
MAY SEE YOUR GOOD DEEDS AND PRAISE YOUR FATHER IN HEAVEN.
(MAT 5:16 NIV)**

This is required from our Lord to shine our light of Jesus Christ in our sphere of influence. And building redemptive relationships is not easy it requires a lot of energy, and requires someone that it is good one on making friends. Also knowing that the people where we live in aren't easy on making friendships, you need to build a lot of trust in order to have the friendships. So based on these facts I have been a little discouraged because we are not making contacts as we should do it! And one day when we come together and counting all the contacts that we have been making during the time in Fier, also thinking that we are in place that we did know any one. And the number would be almost 20 contacts, and these are the contact that we meet them daily, I think that it is not bad.

Wednesday Bible Class

We finished our study on our topic of "offense" and the last topic that we studied on our class was to encourage one another to stay in God and correcting one another with love. So in this way we are not being stumbling block for one another but encouraging stone for one another in Christ.

Edi will continue his series of lessons about the "**Christian Family.**"

Saturday Bible Bowl

The Bible bowl has been performed this time in Korca, it is bit far and all of those that have participated on this event had to go a day before Saturday. Edi and Enis were the ones that participated on this event, and it was very encouraging for Enis to study hard on the Bible, also the fact that Enis was participating on this event was encouraging for his mother Eda, above all they are encouraged to stay on the step of Jesus Christ and on this event they won the first place.

Sunday Worship Service

As the first day of the week the saints in Fier gathered together on celebrating the resurrection of Jesus Christ. Edi was the one leading the worship service. Me and Vosjana were not able to worship with the saints Fier, we were invited on a Wedding Ceremony on Albanian Tradition to some relatives of Vosjana, and after that we have to

come in Tirana because on Monday I was going to start teaching on IBIA Bible School
“Christian Ethics.”

Pray Requests

Please pray for me as I am teaching **“Christian Ethics”** that may teach only the Ethics of Our Lord.

Pray for the students here at the school for Ervin, also for Albert and Jona. Albert and Jona are going to be married on October. These big decisions that have been made from them need strength from the Lord. Please keep them in your prayers as they are being trained by God’s Word to train the others.
