

Dear brothers and sisters

:

Praise be to God our Father and Lord Jesus Christ who gives us triumph over the destruction, joy over the bitterness, peace over the chaos and assurance over the fear. We know that Christ is the fulfillment of the law and we know that Love is the fulfillment of His precepts. We know that His peace surpasses all wisdom and we know that the Lord our God does not show favoritism. He never changes; if we become unfaithful He always remains Faithful, if we fall down He always stands up. When we become weak and weary our God is always strong and powerful. The Lord our God is the spring of the living water and he who drinks from this water never becomes weary. Brothers, we thank our God for all of you who know His precepts and walk in His truth and all of us know that walking in the Truth produces great peace and great joy. It is always a wonderful blessing to be a servant of His righteousness, a reflection of His love and a testimony of His Truth. As we go through the streets of Fier we feel the burden of the sin and the darkness who rules over the people's lives. During the last week we have been in His service looking if we can find anyone who wants to seek and know God. On Wednesday bible class we studied the 14th chapter of the book of Romans. Altin encouraged us "to help and build up each other" (Romans 14:19). Now we are almost in the end of the book of Romans and it is a blessing to know more about our attitude toward faith, grace and God's righteousness and judgment. On Saturday we have been blessed to participate on IBIA's second graduation, we had a wonderful time on that day.

Praise God now Albania has six more people that are ready to serve for His glory; Amarildo Kepi, Ilir Kurra, Arlind Veshti, Eri Pellumbi, Avenir & Lindita Pellumbi.

On Sunday as always we gathered together for to worship our God, we thank God

for the members of the church who encourage and help us to walk altogether toward “The Way!” Altin challenged us to be “holy because our God is holy!” (1 Peter 1:13-25) I thank God that after a long time of searching now I have been able to find a new apartment for me to stay.

Prayer request:

Please, pray for Demiraj’s family, we have contacted recently with Riza Demiraj and also pray for his wife so that they may accept and come to know Jesus Christ. Pray for Albert & Jona during the week they have been sick. Pray for the six graduates of IBIA and for the continuance of the Bible school here in Albania Brothers; keep praying for us so that God may give us enough wisdom and strength for to overcome the works of darkness.

To His glory and power

Altin, Edi and the saints who are with us here in Fier;

Grace and peace from our Lord and Savior Jesus Christ be with all of you!
