

“And surely I am with you always...” (Mathew 28:20)”

Dear brothers and sisters,

As followers of Jesus we obey and teach God’s word by setting our Christ like example for others!

And as the process of discipleship continues, there’s a lot of pain, endurance and an abundance of patience, love and kindness for all people!

What astonishes me being part of the discipleship process is this: “JESUS IS ALWAYS WITH US!”

What an amazing truth! What a blessing to see “EMANUEL” on Christ’s followers’ faces! Knowing that our Lord is always with us we live through, in and for Him!

As we go...and make disciples there’s a lot of darkness yet we are not afraid of this because we have the light that destroys all works of devil!

We continue to thank God for people here in Fier and specifically for those which we have contacted so far! Now we see lost people then through God’s grace we will see “His children!”

On Wednesday Bible class we studied the 2nd chapter of Galatians! Altin challenged us that the gospel of Jesus must not be compromised no matter by who and no matter by how!

On Sunday we had the blessing to come and worship the Lord our God! I had the blessing to share with the church from God’s word with the challenge to “Think positive” and “Act positive!”

(Philip 4:8-9)

We continue to thank God for all of you who continue to set an example of Jesus!

- Keep praying for us and God’s work

To His glory and power,

Altin, Edi and the church
