

But I have prayed for you, __?__, that your faith may not fail.
And when you have turned back, strengthen your brothers."
(Luke 22:32 NIV)

Dear brothers and sisters,

These are the most uplifting words of our Lord Jesus! The danger of not being in faith is present every second, hour, day and week! Sometimes we may think that we are in faith yet things are not always as they appear to be!

No matter how spiritual we are, no matter how much we work, no matter how good reputation we build; all of us are to be alert from "the roaring lion effect" because this will cause us to lose our focus!

Praise is to God that we are not called simply to remain strong in our own faith yet we also are called to strengthen our brothers and sisters faith! Being shaped by this amazing truth we continue to keep our faith and encouraging our brothers and sisters to do so! Knowing that the devil is always around us ready to kill and destroy us, how much more is he on the world? For this reason we fight the good fight of faith and ready to reclaim from darkness lost spirits!

On Wednesdays Bible class we had the chance to study the 4:13-5th chapter in the book of James! On the topic what is life? We thank God for His True, Perfect and Loving Word!

On Sunday

We had the blessing to come and glorify the Lord our God! It is wonderful to know that everything in God's temple says; glory! And every believer who are God's temple, proclaim His glory not only to each other but to everyone they meet!

The servants for Christ's sake,

Altin, Edi and the church send their greetings to all of you
