***SOME TRUST IN CHARIOTS AND SOME IN HORSES,
BUT WE TRUST IN THE NAME OF THE LORD OUR GOD.***

The world that we live in, accept it or not, have built their trust on the things that they see and touch, have put their trust on their own knowledge. Agree or not but God is going to fulfill his plan even we are with Him or against Him, better be with Him. For this very reason we confess that the world may have put their trust in their wealth and their strength, but we have put our trust on our God and our Lord.

For in difficulties we trust in God, for in sickness we trust in the Lord for even the end of this physical life we trust in the Lord. This is the very example that we are setting in our community. Telling others that is not how much you have or know but it's about we care about our Creator how much we respect and obey His statutes.

BIBLE CLASS

As we are studying "The Life Paul" We stopped on studying some topics that Paul addresses on his letters which are so real on our daily lives. And we studied Our Relationship with one another and With God.
