

## **FOR IT IS WRITTEN: "I WILL DESTROY THE WISDOM OF THE WISE; THE INTELLIGENCE OF THE INTELLIGENT I WILL FRUSTRATE. (1CO 1:19 NIV)**

Whoever will call him/herself wise or intelligent based on human wisdom that will be called by God foolishness. For God does not care how much time we spent studying, or how well a person might be trained without heart for Him is equal to 0

As we all know we live in the world where the pride leads people to competition with one another. But we as Christians ought to be out of this world we are ought to compare ourselves with Jesus alone, in order to see what mess our life is. *For If anyone thinks he is something when he is nothing, he deceives himself.* (Gal 6:3 NIV)

Jesus loved us, that is why He died for us, Jesus prayed for us to stay in His steps and took pride only on godly things.

### **For we take Pride...**

On the way that God is using us here in Fier, for the contacts that we have been able through the grace of the Lord Jesus to make. For we take pride only on those things that helped people to change and see life differently. We take pride that our lives are changed and we are more thankful to the Lord.

### **Wednesday's Bible Class**

We are continuing our Bible Study on the topic of **"What was Jesus Reaction on different situation?"** And last Wednesday we studied the **"Jesus reaction on animal nature of humans.** Jesus mentions ship, pigs and dogs. And we saw how Jesus dealt with these kinds of people. There so many things that we need to take away from ourselves in order to be on the Steps of Jesus Christ.

### **Children's Class**

We have been planning on starting a children class and thanks to God we finally did it, last Friday was the second week where we gathered children together, it has been almost 8 kids. Well it is beginning so please keep in prayers for children class.

### **Sunday Worship Service**

We thank the Lord that allowed one more time to be together and worship Him. Edi challenged us with a lesson “To not hurry and judge people” (1 Corinthians 4:5)

### **Prayer Requests**

Pray that we may continue on Children’s class

Pray that we continue to build redemptive relationships For the LORD

Pray that God will keep us strong as we face challenges every day.
