

Dear brothers and sisters

What a wonderful God we have, there is no one neither anything that can resist to His power! There is nobody or anything else that can attain His infinite wisdom. He heals the broken hearts; through His mighty power takes care for their wounds. The LORD calls and determines through His greatness and infinite wisdom. Let all of us glorify His name; let all of us who are His people exalt Him in this world that exalts itself. For To God belong all glory and all the power!

Brothers, we are thankful to God that through His mighty power and through his infinite wisdom has called us into his wonderful plan. We are so blessed to see and know that our God continues to bind up our wounds. We are so privileged to proclaim Him in this city that is filled with the wounds of sin that constantly attacks and robs His people.

During the last week as always we have been in His service striving to please Him in all what we say and do! We thank God that always leads us to the people who are brokenhearted and wounded, I'm so glad that God is opening for us some new opportunities to meet with two families in community who are going through health issues they are poor and needy. One of these two families is Petraq's sister. She is a widow; she had two daughters and one of them died because of anemia disease. She is living with her son and with the other daughter which is in the same situation as the first one.

Also I have been able to contact with Engjell (a man who sells clocks at the trade). Yesterday, His father passed away and we pray that God may give us the privilege to spend some time with these two families.

Bible classes

We are still going through the book of Romans and the last time we studied the 10th chapter. We are thankful for the members of the church. It is amazing how His word challenges us and shapes us into the image of God.

The Lord's Day

It is a real blessing to come altogether and to focus on God. Praise God the church in Fier had the chance to come together and worship Him. Altin delivered the sermon by challenging us to “Come and know God” (Acts 17:26-27). It is amazing to know that not only us but also all of you brothers and sisters did the same thing on that day. We are so thankful for all of you who please, serve, and glorify Him through your lives.
