

He stilled the storm to a whisper; the waves of the sea were hushed. They were glad when it grew calm, and he guided them to their desired haven. (Psa 107:29-30 NIV)

Dear brothers and sisters,

During our walk of faith we face different kinds of storms in our lives, without God's wisdom will cause us to have so much confusion, without God's peace the storm will never gone be calmed! Without God's grace and power the waves will never be hushed, there will be no hope, there's no joy and we have no destiny!

But praise is to God who has given to us the victory through Christ so that we might come to overcome all our struggles and trials, through His wisdom, grace and mighty power! We thank God for such a wonderful blessing that he has given to us so that we might come to reflect it to one another and to the world!

Reflecting God in the community...

I don't understand why we as people are so complicated, why we think, see, and approach all things upside down!!!? In our way of thinking we say that; "it is good to be bad," "true to be deceitful!"

As always during the last week we have been around the city of Fier striving to see things and help others to see them into God's perspective! We are continuing to spent time with the students in Zharres, we thank God for the contacts that we already have, and pray that they might come to accept Jesus in their lives!

Reflecting Him in His Church...

We continue to thank God for the church in Fier...and it produces joy when you see faith on one another! Praise God no matter what the circumstances are we encourage each other in faith!

On Wednesday's bible class...we are still going through the topic "**how to contribute to build up each other in Christ?**" Altin is leading that class! We thank God for God's word that gives us so many examples and applications so that we can help to build up each other in Christ!

On the Lord's Day...Albert, Altin & Petraq led the church in worship!

I had the blessing to preach and worship with brothers and sisters in the church of Durres! They are a real blessing for me and I'm very thankful to God for their faith that they have in Jesus!
