

ALL WHAT WE HAVE SEEN, ALL WHAT WE HAVE HEARD WE ARE PROCLAIMING TO YOU... (1JOHN 1:1-2)

Dear Brothers and Sisters

I guess it does not matter how good you speak, or teach, or how well you can be on choosing the words for the speech and at the end may have a big applause but if there is no love, if there is no interest of the well-being to the one that you talking about the whole speech will be useless. Jesus went where the needy were, showed love to the unloved, and helped the helpless. And guess what all His disciples are supposed to do the same thing.

We claim to be His disciples we are doing every effort to be a good example of Jesus Christ what we have heard what we have seen we want to show to the others, The example that Jesus set for us, is not just telling it only with words but also with action.

We are using our contacts to proclaiming the truth, with action and when it is needed the words.
