

**...WHEN YOUR JUDGMENTS COME UPON THE EARTH, THE PEOPLE OF THE WORLD
LEARN RIGHTEOUSNESS. (ISAIAH 26:9 NIV)**

Dear brothers and sisters,

It is always a great joy to learn from God's judgments; it is amazing to experience his perfect righteousness!

Being double minded is very dangerous it is like ship lost in the waves of the ocean, like a car without breaks! Double minded people are like ostriches which have big wings but never fly big eyes but small brain, tall neck to see up high but great fear to hide it in the sand. When our own thinking and our own wisdom rules on earth, this causes a lot of confusion, pride, self indulgence, deception, and all kinds of iniquities.

Praise is to the Lord who has called us to have the "mind of Christ!" Having the mind of Christ makes us united, secure, unshaken and holy! Having the same mind we are kept for the day of God's judgment. Knowing and reaming in these truths we continue to proclaim the Lord our God to the world and in the same time encouraging brothers and sisters in Fier to remain in these truths.

Wednesday Bible classes

We are still learning about forgiveness by challenging one another to put into practice. This time Altin challenged us with the topic, "learning how to forgive!"

Thank God for two sisters

We thank God for Ruth & Cathy who helped with the VBS and also they are staying here helping with English courses and lots of encouragement with the members of the church and some of the contacts here in Fier! On Friday Ruth, Cathy and I had the chance also to visit with some brothers and sisters in Elbasan.

Sumer camp

We are thankful to God for the Christian camp taking place this summer again! There were six children from the church in Fier participating in that event and two of our adults. Glad that my parents were also there being surrounded by Christian.

Sunday worship,

Praise God we had the privilege to get together by worshipping the Lord our God! Altin challenged us to value and keep "God's gift!" (John 6:10) Our God is wonderful and we know that His gift is inscribable.

In the afternoon Ruth Byrne, Cathy Green, Altin, Klodi & I had the blessing to worship with brothers and sisters in Vlora. I had the blessing to share with brothers and sisters there asking the question; "What good shall I do to have eternal life?" (Mt 19:16-26)

Prayer requests,

Pleas continue to pray for brothers and sisters in Fier, keep praying for us and God's work!

To His glory and power,

Altin, Edi and the church
