

# Great peace have they who love your law, and nothing can make them stumble. (Ps 119:165 NIV)

Dear brothers and sisters,

All praise is to our Lord Jesus Christ who has shown to us that God's law it is not only written into stones, or simply written in paper and ink. For God's law is written into the "Son of men" and it is also written into our hearts which produces great joy and peace!

By His word all things were made, there's nothing that can make us stumble, by His word all things sustains, there's nothing that can make us tremble, by His Word all people will be judged and there's no one who can make us fall! When we are hopeless, loveless, powerless, and homeless we know the source of energy! For God's standard it is not only "Great Peace," it is a "Great Power!"

## **Proclaiming God's great peace and power to the people in Fier!**

Knowing the value of God's standard we continue to live it and proclaim it! Thank God for the people in Fier, and for all open doors that he opens to us! We pray that people may come to know about the "Great Peace," and about the "Great Power, so that they may come to live, sustain, overcome and rejoice by it.

## **Living and Sharing God's great peace and power in His Church**

We continue to praise God for brothers and sisters in Fier, we are blessed to know that we are continuing to be shaped by the word of God and by the impact that it has created into our lives! We thank God for Albert & Jona, Esi & Redona who are continuing to study God's word together with us! It is a real challenge and in the same time a wonderful blessing to know God's word with a deeper understanding!

Also on Wednesday's bible classes we are still going through "worship" and last week we finished two segments on the Lord's Supper / Day! Now we are going to study another topic "How to contribute to build up each other in Christ?"

On the Lord's Day, the Church in Fier gathered together for to worship and give praise to our Lord Jesus Christ who is worthy of praise! Albert, Petraq, Altin, Albi and I, led the church in worship! We thank God for that; it is uplifting to see other people growing into God's image!
