

LET CHRIST TO BE BORN ON YOUR HEART

Once in year almost all the world celebrate the Birth of Christ, at this time of the year all the world will remember for God and what God has done for the world.

But the best thing for the entire world would be, by helping and encouraging all to let Christ to be born on their own heart. Only with this step remembering Christ will not be only once in year but all the time, in all circumstances.

Hoping for all Christians that Christ has born and now is growing and maturing in the hearts of every single Christian. As we try to plant the seed of Christ in the heart of the people we pray that the Christ one day may be born on the heart of these people.

On Wednesday Bible Class, Edi concluded the class about the **“Power of God”** this class was focused to help members to rely on God, for all circumstances. To remember also that God is in control.

Sunday Worship Service

We thank God that allowed us to come together and worship him, on this time of the year as you all know is Christmas time. I shared the lesson **“Letting Christ to be born on our hearts”** Helping one another that Christ may be grown in our hearts, and helping others that have not allowed yet Christ to be born on their hearts, one day may be born.

We also had cocktail after Worship Service, and we bought a present for the family of the members so that the whole family may use it all the time.

Prayer Request

Keep praying for Ketli she has not done the surgery, she is still waiting.

Let's Pray for one another to have good time with our families in these times of feasts.

In His Service

Altin & Edi
