## LEARN TO DO RIGHT! SEEK JUSTICE (ISA 1:17 NIV)

As we come to have relationship with God, we face these two commands: Learn to do Right! Seek Justice; there are a lot of people which will have their concept of doing the right thing, and their concept of putting Justice. But here we are talking about the Concept of God doing the Right Thing, The Concept of God about Justice. And applying these two concepts to real life becomes harder, where we come to point that we have to make the question; do we want to please God or the others? Do we want to receive reward of eternal life or reward of this physical life? We are trying our best to *"Learn to do Right"* and to *"Seek Justice"* according to God's Word... and also helping others to do the same thing, by our lives and our deeds.

### Bible Class

We are continuing to be challenged by the **"Life of Paul"** How he chose to live it? What was the purpose of his life? All he did was imitating Jesus through his life. His purpose to tell others about Jesus, and encourage brethren in Jesus!

### Worship Service

We thank God that we gathered together to worship Him. Lord is always in control and he will take care of his flock. "Good morning!" (Isa 60:1-2) This was the lesson that Edi shared with us...

All of you, clothe yourselves with humility... (1Pe 5:5 NIV)

Dear brothers and sisters,

As we know all of us wake up every morning and clothe ourselves, and none of us cannot forget doing that every single day.

Yet, applying this principle to our spiritual life often we fail to clothe ourselves with humility. Believe me that creates a real silly picture of our real spiritual life.

I believe Peter has strong reasons for writing this statement in an imperative mode addressing to all Christians. Humility is not something to be questioned, it is not something we wanted or not, humility is something that each of us really needs.

Knowing that crucial point of our spiritual life we challenge ourselves daily to cloth ourselves with Christ.

### **Bible classes**

Having a lot of pressure by different religious groups here in Fier we had a class on Apologetics concerning the Bible. We will continue this class in more details after we finish studying Paul's life.

### **The Lord's Day.**

We continue to thank our Father and Lord Jesus Christ for His glorious victory over death. We thank God for turning the wrath to mercy, corruption to righteousness, hate to love and punishment to grace. I had the blessing to share and be challenged together with brethren on "How to stand?" (John 15:4-7)

To His glory and power,

**LET US NOT BECOME WEARY IN DOING GOOD, FOR AT THE PROPER TIME WE WILL  
REAP A HARVEST IF WE DO NOT GIVE UP. (GAL 6:9 NIV)**

### **HOW WILL WE BE DIFFERENT FROM THE WORLD?**

Each day is gift from God; how we live it is our gift to Him. As we come to a new day, with new opportunities if we do realize it or not with our action we claim to whom we belong. But with our words if claim to follow Jesus, that means that we are to be His imitators. We here at Church of

Christ in Fier we strive to claim with our words and deeds that we belong to Christ. By doing good, helping the poor, knocking on the doors that have been never knocked, by showing love to those that have never been showed love.

## **Bible Class**

We are continuing our Bible Study on the Paul's Life; we saw some of the Reasons Why Paul sent the Letters? It's because he cares for them! It's because he want them to be on the path of the Lord. Above all it because God told him so...

## **Sunday Worship Service**

We thank God that allowed us to be together on the first day of the week to celebrate death and the resurrection of His only Son for forgiveness of our sins. "What do we really need in this life?" (Heb 10: 35-39) it's the lesson that Edi shared with us.

We love because he first loved us. (1 Jo 4:19 NIV)

Dear brothers and sisters,

We are because he is, we breathe because he breathed; we proclaim because he manifested; we follow because he walked, and we stand because he stands.

If there's no beginning there's no ending, if there's no number 1 there's no number 2, if there's no creator there's no creation and if there's no love there's no people. We are created as a product of God's love and in order to live we extremely need his love reflected in our lives.

Knowing that, "in the beginning God...", we continue to let his word guide us and help others to do the same.

## **Bible class**

We are continuing to study Paul's life. This time we studied Paul's attitude toward False Teachers (1Tim 4:1-2) Gal 1:6-9) and Immorality (1Corinthians 5:1-6) (1Tim 4:2-3) (2Tim 3:1-7)

### **Lord's Day!**

Again and again we continue to thank God for his amazing grace and love for us. Altin challenged us on the subject "Who is our Neighbor? (Luke 10:25-37)

Prayer request:

1. Keep praying for God's work in Fier
