

I HAVE BEEN CRUCIFIED WITH CHRIST AND I NO LONGER LIVE, BUT CHRIST LIVES IN ME. THE LIFE I LIVE IN THE BODY, I LIVE BY FAITH IN THE SON OF GOD, WHO LOVED ME AND GAVE HIMSELF FOR ME. (GAL 2:20 NIV)

There are many things that we have not given up, there so many things God asks to give up but we love them so much and try to fit in with new life in Jesus! And am not trying to accuse anyone, but reminding ourselves that we live in flesh and the world around appeal to us with so many things that seems to be okay with the new life with Jesus Christ.

But God makes it very clear that what is of the world is of the world, and what is of God is of God. That means all the things that we do or say if do not glorify God is not godly.

As we try to build redemptive relationships with people in Fier, we try to be very careful about the example that we set. At the grocery store, the place we go for a coffee. In order to be effective in our service we are supposed to live the life Jesus calls us to live.

Our bible Class.

We finished our study on book of James, Edi made the Conclusion of book of James. Now we are going to study book of Galatians.

Sunday Worship Service

Thanks to the Lord that has made us possible to gather together for His sake, there is always a great joy to worship the Lord with brothers & sisters. Another great joy is to see Ketu worshipping with us. One of the things that encourage us is that her husband is helping her to come to the worship services. Since at the beginning Ketu has had problems with her husband, because he did not like the idea at all for her to come to the worship services or get involved with the Church, but now he is the one reminding her for the time to come to the worship services.

Prayer Requests

Just pray that God will open the hearts of those that we have contacted so far, and pray for us to live the life that Jesus requires us to live.

In Him
