

FIND REST, O MY SOUL, IN GOD ALONE; MY HOPE COMES FROM HIM. (PSALM 62:5)

We have been created on God's image, and because of this very reason our Soul automatically requires to be updated and refreshed only by his Creator. As Windows Pc's system receives updates only from the original source from those that have designed it, and if we give a wrong command by forcing the system to get the update from another source it will get messed up and will get a virus. The same with our soul when it requires a daily update from the Creator, and we force to receive from another source we will get messed up we fill emptiness and will get the virus of Satan. The Best antivirus for our Soul would be Jesus it has been 2000 years that this antivirus has come to the world and has been proven and tested from the most skeptic of the world to be true and the ultimate powerful antivirus for our soul.

We are doing our best letting the world know the use of the antivirus (Jesus Christ) by explaining how to use it through the manual that Creator has given us (Bible). We are trying to tell this by our lives, the changes and everything that The Lord has made in us. To let to the same in their soul too!

Bible Class

Last Wednesday we studied the 3rd chapter of Galatians, the scripture challenges us to be the true Sons of God by thinking and acting as ones. Paul calls our attention to not keep going back on slavery but to come in Jesus and set ourselves free.

Sunday Worship Service

We are thankful to God that we have been able to be together and Worship Him. I was blessed and challenged by Scripture to share with the brethren **"To Whom We Belong?"** (**Galatians 3:26**) on this scriptures says that we are sons of God. But the thing is with our actions and with our attitude is telling that *we are the sons of God?* With our actions and our attitudes we are telling **"To whom we Belong?"**

Prayer Requests

Please keep praying for Ketii; we have been told that she will have another surgery, at this point of time we don't have any other information.

Keep praying for our contacts Klodi, and Dritan the waiter where we drink coffee. That their mind heart will be open for God's Word.

Also for our contacts in Zharrez, Daniel, Mateo, Aurel, Elis, pray that their mind and heart will be open for Jesus.

Keep praying for us that we may be single minded and focused For God's Service.

For His Glory
