

No one who puts a hand to the plow and looks back is fit for service in the kingdom of God.”(Luke 9:62 NIV)

Dear brothers and sisters,

It is a great joy to go ahead by continuing the task which is set before us. Even though the sin causes too much pressure on us, yet we do not shrink back for destruction. Even though life bits us hard; we do not shrink back. Even though we go down; we can still look up, and we do not shrink back.

When the mask of hypocrisy laughs at us, and causes our face to be sad we do not shrink back, because there's a joy set before us, and there's destruction set for those who do not use their own face, to face the “pressure of sin.” There's destruction for those who try to hide from the light, and turn back in to darkness. There's no mask, neither darkness, nor a place on which we can escape and hide from God's wrath. If we go back and hide; all what we get is nothing more, but deception, pain and destruction. Knowing all these truths, we do not take the grace of God in vein, but we go ahead by reflecting and proclaiming him also to the lost people.

### **Bible classes**

This time we gathered together and challenged one another on God's blessings and His power! After that we had a blessed time of fellowship celebrating thanksgiving together!

### **Sunday worship**

We thank God as always that has given to us his love and grace so that we can overcome all devil's works by surrendering ourselves fully to God's will!

This time Altin worshiped with brothers and sisters in Fier and he challenged them: “to not forget the image of God in them (James 1:22-23).

And I was privileged to worship with brothers and sisters in Lushnja. I had a blessed time there worshiping the Lord and preaching on the subject: “he who tries to make you fall down is already fallen” (Luke 10:18-19). We know that he who tries to destroy us is already destroyed. And God has given to us authority over the evil forces.

Brothers & and sisters there's no reason to go back into, ignorance, fear, deception, arrogance and destruction.

Our God is all powerful and no one or anything can make us look back.

To His glory and power,

Altin, Edi and the church
