

Who has done this and carried it through, calling forth the generations from the beginning? I, the LORD—with the first of them and with the last—I am he." The islands have seen it and fear; the ends of the earth tremble. They approach and come forward; each helps the other and says to his brother, "Be strong!"
(Isa 41:4-6 NIV)

Dear brothers and sisters,

He is the first and the last, the beginning and the ending, the light that takes away darkness, the Love that surpasses all wisdom and the Judge who punishes the evil!

We know that we are strong because we remain in His powerful plan; we know that we have wisdom because we reflect from his love and we know that we turn away from evil because we fear from his judgments!

Be strong my brothers and sisters, in times of fear, be strong, in the times of grief and pain, be strong remain in the Lord, because the battle is His!

The lost people

Knowing that we are not alone in the battlefield of faith, we find strength to go on, we find sufficient grace and love for to make known his righteousness!

Along the past week we have been in touch with contacts that we already have here in Fier, striving to reach them in Christ Jesus! We have been focused on specific persons, and we thank God for this people that we might have the chance to share our faith with our words and deeds! Also we are continuing to have contacts with the school in Zharrez waiting to see some fruits and we know that it is God who makes that happen! God rejoices with the seed that is planted yet we rejoice with the harvest!

God's people

We thank God for the members of the Church here in Fier for their faith process of growing! Somewhere along the past week we have had the chance to spend time together to encourage faith on each other! We thank God for Esi and Redona who still want to know more about Christ through His word! We thank God also for Albert and Jona they are an encouragement for us by the willingness that they have to study God's word more and more! They are now in a transition point and they are going through some hard decision for their lives please pray for them also so that they will make the right decision for the glory of God.

Wednesday Bible classes,

We are still studying about **“Worship”** and we have covered two segments on **“Prayer”**, last time we covered two more segments on **“Fasting”**! God’s word is challenging we learned that fasting is; to humble yourself before the Lord and all of us know that if we do that He will lift us up! (**Isaiah 58:11**)

The Lord’s Day,

We also had a blessed day, by gathering and celebrating our Lord’s Day altogether! Altin challenged us **“To be responsible for each other”**, by not living in sin and by being patient and loving to one another (**Ephesians 4:26-32**)! All of us have responsibilities and we know that the greatest responsibilities that God has given to us are the people.

Prayer requests;

Pray for Esi’s friend “Andi” he is having serious problems with the stomach please keep him in your prayers so that he might come to know the true healer!

Please pray for Eda’s friend “Poli” she is diagnosed with cancer and is having a hard time, continue to keep her in your prayers!

Pray for Redona so that she might commit herself to Jesus and come to know Him better!

Pray for Albert and Jona in this transition time that they are going through, so that God may bless their life as they seek to please Him!

Continue to pray for us and God’s work here in Fier!

To His glory and power
