

**TRUST IN HIM AT ALL TIMES, O PEOPLE; POUR OUT YOUR HEARTS TO HIM,
FOR GOD IS OUR REFUGE. (PSA 62:8 NIV)**

As we are out on the field of God building redemptive relationships, we hang out looking for the man of peace (**Luke 10:5-6**), sometimes we fall on the temptation on that is very difficult even impossible. But we always we have to remember where we have put our trust. Since we trust in the Lord, we also have to trust also that God has people on this town.

As Edi was at **IBIA** teaching 1&2 Thessalonians, I was out by myself, I called on the phone Klodi one of the contacts that we have talked, and we had coffee as we were talking, I asked about God, what he understood where he is with his knowledge about God. It was very encouraging hearing proclaiming that Jesus is true, and that he was crucified and raised on the third day. Then we ended at the Church building, because he was interested for a Bible, I gave him one and then he started reading some as we were there, it was very encouraging that how he will stop on a verse and make connection with what Jesus has said based on the movie that he have seen. That was very encouraging also we discussed for a possibility to set time where we can study the Bible.

Wednesday Bible Class

This Wednesday we finished the last class about **“Hope, Faith and Love”** we were focused and on **“Love”** and on the qualities of Love that we see 1 Corinthians 13:1-13; we saw what **“True Love”** should not be and should be. And that we always have to trust that God is the one that provides that true love. Also as Jesus would say by your love that you have for one another the world will understand that you belong to the Lord, this indicates that if we trust in the Lord will be able to find the true Love but also will be able to reflect with one another.

Sunday Worship Service We thank God that allowed us to be together to worship the Lord. There is always wonderful when you know where to trust, there is always a joy when you know that God is faithful and He will provide. There are so many things that we have to be thankful to God! This what Edi Shared with us **“In all circumstances to be thankful to God” (1 Thessalonians 5:18)**. We have to remember always that God is in control and we have to trust on Him with all our heart. **After Worshiping Service** we gathered together and had a meal, for the Thanksgiving Day also our independence day. It was great time spending together.
