And He knows those who take refuge in Him. (Nah 1:7 NAS)

Dear brothers and sisters,

Praise be to the God our Father and Lord Jesus Christ who searches the hearts and knows his own. He hears their cry and he delivers them. He protects those who live, love and trust in him. We know that his faithfulness, righteousness and joy are our strength and our shield on which we remain safe.

And we also know that we have to share of what we know with others who don't know. We know that reflecting God is not an easy thing, yet it is a wonderful thing.

Bible class,

We began to study another class; "apologetics" we started on this topic; "Reliability of the Bible." This is an interesting class which helps us to give an answer on why we believe what we believe?

Sunday worship

Every Sunday we keep gathering together by reminding ourselves of Jesus and his love! We want to be like he is, walk like he walked and love like he loved. Altin challenged us with the question "what are we looking for? (Mathew 26:14-16). Are we worried how can we get rich or how can we get saved.

Prayer requests,

Please keep our beloved sisters Perso which have some health problems

Keep praying for God's work in Fier and keep praying for us

In His steps,

Altin, Edi and the church
