

If we are faithless, he will remain faithful, for he cannot disown himself.

(2Ti 2:13 NIV)

Dear brothers and sisters,

This is a very strong reason for us to humble ourselves toward the Lord our God. As God's chosen people we are called to change ourselves not God.

Because of our own weakness we want God to change his nature so that we can have a license to sin. But praise is to our God and Savior Jesus Christ that he never changes he is the same, yesterday, today and forever.

If our own love changes like the weather, God's love is everlasting, for he is Love. If we remain in darkness, God is light, for there's no darkness in him. If our own righteousness destroys and breaks souls, God's righteousness is all perfect, for he heals every wound. If our own human nature cannot forgive, God is merciful, for his grace is abundant. If human flesh turns away from God and perishes, the everlasting word of God will never be shaken.

Knowing all this truths about our Lord and Savior Jesus Christ we challenge one another and continue to reflect our God in our daily lives! We continue to thank God for all the contacts that we have here in Fier! We are in a world that is messed up and everything needs to change, God's word is the answer for all things, because through God's word everything was made!

Wednesday bible classes

We are continuing to study Jesus and his reaction to different people. Some are children and some are mature, some are single, others are married and some are parents. Last time we studied: "Jesus attitude toward family!" And Jesus attitude is amazing: as a child he obeyed to Joseph and Mary yet he obeyed till to the cross to his heavenly Father. Everyone who does the will of God is his family!

Children class

On Thursday we had the chance again to have a class with the children. It is always a joy to enter into children's world!

Sunday worship

We thank God for his "wonderful blessing" (eternal life). And it is both; challenging and encouraging coming and worshiping Him with brothers and sisters in Fier. Altin challenged us To partnership on the Gospel and discern what is best to be pure and blameless till the Day of Christ: "?" (Philippians 1:5, 10).

Please pray for;

- The children class and their parents
- Pray for the godly women in our church so that they might become great tools for spreading the gospel of Jesus
- Us, so that we might fight the good fight of faith

To His glory and power,

Altin, Edi and the church
