

I HAVE SET THE LORD ALWAYS BEFORE ME. BECAUSE HE IS AT MY RIGHT HAND, I WILL NOT BE SHAKEN. (PSALM 16:8 NIV)

You may be having been hearing the news what is going on here in Albania! People are upset with the government that is not doing what is supposed to do. They got on revolt and 21 January, and 3 people were killed, there are rumors that say that government has given order to shot on people. Also there are rumors that the other part of the politic has done this in order to blame the government. I don't want to discuss this but...remembering that there were 3 spirits died and that may be did not hear the Good News, also there are many others that God has been working for years to be ready that one day will be touched by our effort to share the Good News to them. Every one of us acknowledges that are difficulties as we try to serve the Lord in the midst of the darkness, but we should not be shaken because the Lord is in our side. As we go on the routine of the day on meeting people, sometimes we get discouraged because it might seem that we have done nothing but going out. BUT Having the Lord always before us, we use every opportunity to take every mind captive for Christ. As was taking Driver Lesson, I was able to find time and have coffee with the instructor that taught me about two times, and was able to share what I was doing and connecting the Bible Its Teachings with real life, he is about 60 years old or more, this age is harder to take captive for Christ. Anyway on of the days that I got to meet him, he asked me for a Bible, I was able to give one to him. So as we go on the routine of the day whatever we do it, we do it for a purpose **"building redemptive relationships"** taking captive for Christ it might take more time than usual but is effective and on good bases.

Bible Class

We are continuing our studding on book of James, and last Wednesday we studied chapter 2 of James. Always James is very straight on his speech and very challenging how to deal with people and not show favoritism. Challenging to show faith through deeds not through words deeds speak more than words.

Sunday Worship Services

We thank God that allowed us to get together and worship Him. Our God is merciful and ready to forgive those that repent and put God always before in their lives. God will renew him/her as new being on His standards. (Ezekiel 36:26-27) this was also the lesson that I was blessed to share with the brethren here in Fier.

Prayer Requests

1. Keep praying for Keti as she is recovering.
2. Pray for the government that they govern the nation of Albania as they are suppose too.
3. Pray for us as we go out and build redemptive relationships for Jesus.

Striving To give God Glory
