

**FOR OUR STRUGGLE IS NOT AGAINST FLESH AND BLOOD, BUT AGAINST THE RULERS, AGAINST THE POWERS, AGAINST THE WORLD FORCES OF THIS DARKNESS, AGAINST THE SPIRITUAL FORCES OF WICKEDNESS IN THE HEAVENLY PLACES. (EPH 6:12)**

**Dear Brothers & Sisters**  
**We have the Free Will....**

There is a really a serious wrestling or better say fighting going on in every moment of our lives, and every one of us got the power of **“Free Will...”** every choice that we make every day is effecting and will affect people around us. There are only two ways; God or the World whoever we choose that will be empowered by each one of us and will affect lives of people around us. I can choose to kill, I can choose to heal people, I can choose to preach God’s Word not adding it and not taking from it, and for this very reason will be the enemy of the world and great servant to God. Sometimes we as people tend to have both but we cannot have them both. And start complaining that we just humans, hey we are not just humans we have the power of **“Free Will...”** and complain that we are weak, we are not weak, we are very powerful but I guess we really don’t know it. There is only one thing that we really should remember that through our **“Free Will...”** it is a very big responsibility so we better choose the right path, the right path to fight for...

**We choose to...**

To preach the word through our daily lives and through the light that God has put on us will shine on the world and the world start to praise the Lord.

**Wednesday Bible Class**

We are continuing the study on the topic of **“Forgiveness”** and last Wednesday we studied “To ask For Forgiveness” and one of the most important things is to have a “Humble Heart” and the willingness to be changed to be transformed into the shape that God wants you to be shaped. That’s why we are supposed to be humble enough to trust in God and on His power to change us into His own image.

**Ladies Class**

The Ladies had the blessing to have some classes by their own. Ruth and Cathy helped on teaching those classes; they did have 3-classes last week on being together and sharing with one another from God’s Word and from their experience how they become Christian.

**Worship Service**

We are very thankful to our Lord that allowed us to be together on worshipping Him. God is awesome God for this reason deserved to be worshiped and glorified through our lives. Edi challenged us from (Isaiah 54:10) Peace of The Lord will be with us if we continue to be with Him in our action and our deeds.

**Pray Requests**

Please Pray for Ketí, as she is recovering with hear health, it depends on how she is with her health, when she feels better she comes on Bible Classes and Worship services. So pray that she would feel well enough to attend the Bible classes and worship services.

Pray for our contacts to have an open heart and mind, in order to accept God, please for us that that we may reflect Jesus in our lives.

In His Holy Service
