

THE LORD IS GOOD TO ALL; HE HAS COMPASSION ON ALL HE HAS MADE.
(PSA 145:9 NIV)

Praise the Lord that He continues to be faithful, no matter what we as powerless creatures are. Sometimes we tend to forget the fact we are under grace, we tend to forget that God has blessed so much us.

Sometimes we get discouraged, sometimes we may say will not speak but we cannot not speaking about Lord and His Great Deeds. Even then when we may be greatly discouraged we get strong through the strength of the Lord that is like a fire in our bones.

So we are continuing to build redemptive relationships, we are glad that Klodi is continuing to come on our Bible Classes and Worship Services, pray that soon will have a personal Bible Study with him.

This is a Picture of Klodi.

Bible Class

This Past week we started another topic on our Bible Class **(Faith, Hope, and Love)**. We are going to study them one by one. And last week studied about **“Faith”**. As the Letter of Hebrews describes faith” Faith is the assurance of *things* hoped for, the conviction of things not seen. (Heb 11:1 NAS) Between faith hope and love there is a connection they have to stay together but above all is Love as Paul would described at 1Cor 13:13.

Worship Service

Blessed be our Lord that allowed again this week to come together and worship Him. For we are thankful to the Lord that we provided a way toward the salvation and back to the relationship with Him! Edi challenged us from (**Genesis 3:2-6**). People often get deceived to exchange the “**Real Life**” with the pleasure of the moment. For since the beginning people are deceived for this reason even today on 2010 people are being deceived for this very reason again for the pleasure of the moment.
