

*...but you will see me. Because I live, you also will live. (John 14:19 NIV)*

Dear brothers and sisters,

Life it is not simply being born, grown, given up to fleshly desires, having a job, getting married, having children and then dying, life is more than that!

Life it is not seeing people, it is seeing Jesus in people! Because Jesus lives in us, we will live in Him!

### CHURCH OF CHRIST FIER

Knowing that life is Jesus and Jesus is Life we continue to reflect and proclaim Him to the People in Fier and everywhere we go! We have been able to contact with different people and different levels yet reflecting one God and one gospel of Jesus Christ!  
I continue to thank God for the Grace that he has for us and for the lost!

#### **Bible class,**

On Wednesdays we are still studying from the book of Galatians! Paul shows a strong emphasis between “promise” (JESUS) which is by Faith and the law, flesh and the spirit, the truth and deceitfulness, slavery and freedom! This time we studied the 4<sup>th</sup> chapter! And it is a real blessing to let God’s word direct our lives!

#### **Sunday worship service,**

We always continue to thank God for His wonderful grace and Love that He has for us and all people, we know That the foundation of God’s throne is the Truth and Righteousness, having that in our minds and souls is a strong reasons to glorify Him! I had the blessing to challenge myself and the church with these two questions; what things lead us to slavery? What leads us to Freedom? (Gal 5:12-15; 4:16-18)

Brothers, keep praying for us and the church in Fier! And let us never get tired from being like Jesus, walking in the truth and in the spirit!

To His glory and power,

Altin, Edi and the church
