

Dear brothers and sisters,

All the glory and power belongs to the one who keeps and holds us in His hands, to the one who loves and cares for each one of us. All his people belong to him who was crucified and resurrected for them.

We know that His saints get rid of arrogance, proud and selfish ambitions, they do not give glory to themselves, neither belong to other people and to the things made by them. We know that His children bow down at their Father's feet, their ears are ready to hear His words, and their hearts are humble to receive his PERFECT, RIGHTEOUS, ETERNAL, POWERFUL, and UPLIFTING instructions. This is the picture that pleases our Father, and this is our joy; that we altogether with humbleness in our hearts hear and receive from his truth.

Praise God for His people in Fier and all around the world, it is amazing to reflect about his church that is so precious in God's eyes. It is uplifting to hear and know about the love that we have for one another.

One year left and another week has come, and we still thank God for the time that we have spend with brothers and sisters here. It is about 9 months that Altin and I are serving in the church of Fier and we are so thankful to God that through his word all of us are shaped toward spiritual maturity. We hope and pray that for this year the church of Fier might grow not only in faith but also in number, there is no doubt that this will also please God who wants all people to be saved. On Wednesday bible class we finished studying together the book of Romans, which has been a big challenge to all of us. Now we have decided to study from Ephesians, very challenging and so uplifting letter.

On Sunday worship we came to worship together the Lord our God; I was challenged to share with the church; "when our heart finds God!" (Jeremiah 29:11-13).

Altin & Vosjana were worshiping in Lushnja, Altin was on the rotation of preaching in Lushnja since Tom is in the States now.

Finally, Altin & Vosjana are living at their apartment now, praise God I also have been able to be settled at my new apartment, arranging and fixing things that needed to be done.

Please pray for the growth of the church in Fier, continue to pray for us and for the lost people in Fier. We thank God for all of you, who continue to please, glorify and reflect him in your lives.

Grace and peace from our Lord and Savior Jesus Christ to all of you!

In His steps,

~~Altin, Edi & The Saints in Fier~~
