TRUST IN THE LORD FOREVER, FOR THE LORD, THE LORD, IS THE
ROCK ETERNAL. (ISA 26:4 NIV)

It's encouraging and amazing to know that there is an Eternal Rock where you can put your trust where you can put your hope and that Rock is God. Even in our difficulties, even in our moments of weakness, even in the moments of poverty trusting God is only thing left. Our God since the beginning He promised that always will be with those that trust and believe in Him.

Trusting on God and believing Him has made us to continue always forward and keep fighting the good fight. God is the source of our strength, is the source of our desire to share His Word. God is our light in the midst of darkness; God is our peace in the midst of trouble. God is the source of our hope when we do not have hope that things can be change, but as Jesus says what is impossible for man is possible for God. For this very reason we continue to serve the Lord, and share His Word among our sphere of our influence that we have built here in Fier.

Bible Class

We are continuing our study about the life of Jacob, and the topic was "5 lessons that Jacob learned about His mistake". What you sow that is what you will harvest, and that is what happened with Jacob

Worship Service

We thank God that allowed us to be together and worship Him. Edi challenged with topic the "*And when you have turned back*" us from (Luke 22:31-34). Encouraging one another to stay on faith its crucial duty for every Christian!

...BE STRONG IN THE LORD AND IN HIS MIGHTY POWER. (EPH 6:10 NIV)

Dear brothers and sisters,

It is amazing and wonderful when we rely on God's mighty power! There are mighty weapons given to those who proclaim and practice God's will. We do not have the same weapons as our enemy; for God has given to us his truth, righteousness, and gospel, shield of faith, salvation and the Word, and prayer to depend on. We know that no one or anything can resist God's will. We know that love triumphed over hate; humility triumphed over the pride, and life triumphed over death! No weapon formed, no plot made, no evil power set against us, will ever prosper.

Being confident on this we go ahead and continue to proclaim our God to our brothers and sisters and also to the lost people.

Bible classes

If we believe that the word of God created everything we also believe that it can transform our lives! We are still studying Jacob's life. This time we were challenged from Jacob on the subject: "what does it mean to face the reality?"

Sunday worship

As always we thank God for our brethren in Fier by challenging and encouraging one another to do good works in Christ. We had the blessing to come together worshiping the Lord our God. I had the blessing to share with the church; "to never look back" (Luke 9:62).

Altin had the blessing to be with brothers and sisters in Lushnja by worshiping and preaching God's word there. And shared from **The Relationship with God** (John 15:7)

We continue to thank God for every redeemed brother & sister in Christ, knowing that we are God's partakers of the same blessing; "Eternal life!"

To His glory and power,

Altin, Edi and the church

BE STRONG AND TAKE HEART, ALL YOU WHO HOPE IN THE LORD.

(PSA 31:24 NIV)

It's always a joy to know that God is in our side, take heart and hope in the Lord, no matter what happens God is in our side. For this very reason, our difficulties, refuses of people, ridiculing of people to us because of we Preach Jesus and Him crucified, we take heart and still have hope that God is in control here in Fier and all over the World!

Bible Class

We are continuing our Study on the character of Jacob, and we saw how Jacob was receiving the Blessings through His obedience to God. It is always a great thing to know God is just and always will bless those that obey and reflect Him through their lives.

Worship Service

Our Lord Jesus Christ is worth of praising for he died and rose on third day for us to have hope in Him and all of those that have Faith in Him will not perish but will have eternal life. I challenged the brethren with the question; "Where is our faith put on?" From (Mark 12:30-31) we are invited by Our Lord Jesus Christ to Love the Lord with all our Heart with all our Spirit with our entire mind and all our strength. But if we say this only with our lips and not with our action we are far away from a personal relationship with Jesus Christ.

Prayer Requests

Please pray for Ketj, Perso, and Burbuqe, they are having problems with their health, pray that they will be fine so that they will be able to come to Bible class and to Worship Service.
