

## Do not grieve, for the joy of the LORD is your strength." (Neh 8:10 NIV)

Dear brothers and sisters,

It is wonderful, amazing and so uplifting to know God! We know that God is always our comfort even when we suffer, He is always our light even when we are confused. We know that God is Love; He is our strength, our righteousness, our hope, glory and our joy! Our God is confidence in the midst of fear and doubt!

By knowing God we proclaim and reflect Him in our lives! We are so blessed and privileged to be on God's mission, because we know to whom we serve; we know that His unfailing love surrounds all of us who trust in Him. We continue to confront people in Fier with this "Truth! Often we feel weak and powerless but with God and His joy we renew in strength ready to fight and destroy all the devil's schemes.

It is always a real blessing and a real challenge allowing God's word to shape us into God's image! On **Wednesday bible classes** we finished our series of lessons about "**Faith, Hope and Love**"! Altin summarized all the lessons and after that we had a fellowship time together! As many countries in the world also here in Albania, specifically in Fier "some" people are very superstitious and for this reason we are going to study about "**God's power**" for 3 weeks!

**On Sunday worship** we gathered together by giving praise and glory to our Lord and Savior Jesus Christ! It is always a real peace and comfort to see other people glorifying such a wonderful God! Altin shared with us to "**Strengthen our Faith**" from **(2 Peter 1:5-7)**

We continue to thank God for this young man Klodi, he has the fear of God and he is a man of integrity! It is encouraging to us seeing him regularly in our bible classes and worship services!

### **Prayer requests,**

1. Pray for our beloved sister Ketj, soon she might have a surgery
2. Pray for Esi she is still having some problems with her health
3. Keep pray for Klodi, so that he might join God's family
4. Keep praying for us and for the lost people in Fier

May God's kingdom be built, fortified and expanded in Fier, Albania and in all nations around the world!

To His glory and power,

Altin, Edi and the church in Fier; grace and peace from our Lord and Savior to all of you
