

Ask the Lord of the harvest, therefore, to send out workers into his harvest field (Mat 9:38 NIV)

There are so many things that can make our day up, there so many things, so many worries and so many desires that may fill our mind and our Heart. But the question is how worried are we on the things that God is worried about. Early in the morning you would see people hurrying, running to go at their jobs. There are some of them that do not worry to work just hang around on coffee bars to fill up their day. As we all see and experience on the place that we live in there is a great need so that people may know the Truth. As we all can see and experience the fields are plentiful we just need to be open mind that there is nothing worthy then being with the Lord in eternity, we do not have time to fight and to worry for the benefits that this world offers, we just have to remember what our Lord Jesus Christ has offered us that is something that we do not have to fight as the world asks us to do in order to have those benefits that it offers. But with our Lord is free and it is enough for everyone that wants to follow Him. *So brothers and co-workers on God's field join on my prayer that God will rise up leaders that do not have time to fight for things that this world offers but want to spent his time and energy to share the Gospel of Jesus Christ.*

Activities of the Week

We the servants of Christ that serve here in Fier are doing what we can on Building Redemptive Relationship, we will be out every day watching for man of peace, watching for those kind of people that are not pleasing their life for those people that feel the emptiness on their spirit. Feel the need for the presence of the Creator on their lives. Jesus all the time was out looking for these kinds of people, looking what their need were and He started from that. The same we are trying to do here in Fier to follow the Jesus's steps.

Worshipping the Son On the First Day of the Week

We thank the Lord that allowed us to be together on the first day of the week to Worship Him and remember the sacrifice that He made for us That We may be saved. Rejoicing That Our Lord Jesus Christ was raised by conquering death forever so that we do not have to fear anymore death. But we have to be humble enough by accepting the sacrifice of Christ and not taking anything for credit but giving Him glory. This was also the Topic that Edi challenged us to be Humble as Jesus was From Psalm 103:8-14)
