

“...The kingdom of God is within you.”
(Luke 17:21 NIV)

Dear brothers and sisters,

It is so uplifting to know and to stir up this wonderful Truth which lives within us! God didn't chose to place His kingdom up on the mountain, nor on any strong castles neither on any man's power!

God placed His kingdom within our hearts, which are humble and thirsty for His righteousness, who seek Him, which love and obey Him!

This is both; our challenge and blessing here in Fier; knowing that the Kingdom of God is within us, through His grace and power we wrestle; fight and overcome sin, because we live as God's holy people; as citizens of His powerful kingdom! We know that His Kingdom it is not designed simply to be in us yet we have to share it with others!

On Wednesday Bible classes we studied the 3rd chapter in the book of James! James is a very practical letter and this time we studied; “**How to manage our speech?**”

We continue to thank God for the church in Fier, as always **on Sunday** we had the blessing to come and glorify the Lord our God! I had the blessing to share with the church about “God's Faithfulness!” (**Gen 9:13**)! As the rainbow raises up after the rain, God's promise raises up after our broken souls!

From God's word we know that His face is like the rainbow and we know that after the storm only the righteous remains still!

Dear brothers and sisters as the rainbow rose up in the sky on the flooded earth and still do; let all of us rise up His kingdom on this fallen world!

To His glory and Power,

Altin, Edi and the church
