

## For this God is our God forever and ever; he will be our guide even to the end. (Psa 48:14 NIV)

**Dear brothers and sisters,**

For this is our God; Great in His plan and amazing in His grace! He is our stronghold and our salvation! His faithfulness, love and power are eternal! His truths are all standing; He is mighty in His ways and true to His promises! Our God is the Sustainer of all things and "The Word" who gives meaning to our life!

We are glad to share with you about challenges and blessings that we have been going through the last week on God's field!

First, one of the biggest challenges that we are having are the lost people who do not know about such a Great God! It is always hard and sad when you think that they do not know God for what He really is! And for this reason some of them will not know and understand us! As always we strive to do the best for to let God to be our guide!

Second, a real challenge and blessing are the saved ones! In our battlefield we face many "Goliaths" (giants), and we feel like we do not have enough tools to overcome these battles! It is a real blessing for us to have brothers and sisters who encourage faith to each other! And we know that our faith in Jesus is what overcomes the world!

**On Wednesday bible classes** we are studying, "How to contribute to build up each other in Christ?" Altin is going to lead one more class about this topic by summarizing all what we studied so far! After that we will study another topic, "Holiness!"

On the Lord's Day we had a blessed time worshipping God and encouraging each other! Altin challenged us to have "the real Love!" (1 Timothy 1:5)

We also were glad to have our brother Art Hitt worshipping with us on the Lord's Day! Not only on worship service but he stayed 4 days with us in Fier, and we had the blessing to know and visit some of the contacts that Art already knows here!
