

Dear brothers and sisters

Dear brothers and sisters

Apart from the Lord everything is collapsed, everyone is hopeless, everything is meaningless, apart from Him there's nothing good. Praise be to our God that has blessed us with Jesus Christ on which is; LIFE, LOVE, PEACE, UNDERSTANDING, JOY, COMFORT, HOPE, POWER and GLORY. I'm very thankful to God for all of you who are His saints on which we have all our delight. There's no greater blessing than reflecting Him in our lives! God's work in Community During the last week we have been in His service striving to bring all the glory to Him who is worthy of praise and honor! I (Edi) have been able to contact with Engjell's family (one of the families that we have mentioned in our previous reports). It was a nice time visiting them in their home meeting with his mother and his sister. We also thank God that after the visit that we had at house caring for the old people we have been able to have some new contacts with another organization who cares and helps crippled man, it was a good time also meeting with the director (Ramiz) and his secretary. They invited us into their meeting that they had to municipality in the city of Fier, we have been able to help them by using our projector and the computer for making a presentation that encourages helping the crippled man. It was encouraging that the church of Christ here in Fier is known and well respected by the major of the city and other organizations. We are still having contacts with Klodi and Kujtim hoping in the Lord for them.

Wednesday bible class

We are still going through the book of Romans we studied the 12 chapter. It is amazing how Paul teaches us what to deal with our sinful bodies? How to represent our bodies holy and pleasant before Him!

Sunday worship

We are thankful to God for the church here in Fier, it is encouraging to know that we are growing and knowing our God in a better perspective. Since repentance is a process that goes through our lives I was blessed to share it with the church (2 Corinthians 7:4-16). We are thankful to God that we are going through this process of changing according to God's love and mercy. We thank God and praise Him for all of you who by your faith and love that you have in God encourage us to continue to work for Him. We boast for each of you who are fellow workers together with us for Christ's sake. To Him belong all the glory and power!

In His steps
