

Here is the perseverance of the saints who keep the commandments of God and their faith in Jesus. (Rev 14:12 NAS)

Dear brothers and sisters,

Being in a world filled with confusion, which doesn't know and practice the law of Christ, and which doesn't have faith in the Lord, is really a sad picture!

On the other hand it is so uplifting to know and see people who keep their faith in Jesus; even though hate, deceitfulness, envy and pride surround them, through God's love they endure them all!

Being in God's field we are always challenged from the fact that there are so many people out there without Christ, being hated and hating each other, being conquered and conquering each other!

Praise is to the Lord our God who gives us strength to triumph over the wickedness through faith in Jesus Christ. We continue to thank God for all the doors that he had opened to us and the new people and contacts that we are having, hoping that they may come to submit their lives to Jesus!

We also continue to thank God for the church members in Fier, we are encouraged from their faith and their deeper understanding of God's word! Since we are studying about "**Christian Family**", last time on **Wednesday bible class** we were challenged; "how to become a better Husbands, wives, parents and how to become better children?" And we all have the pattern of such a wonderful family which is the BIBLE!

On Sandy worship we thank God that had the chance to get together and give glory to the Lord! Altin delivered the sermon on the subject; "letting God and His word to direct us!" (Psalm 119:104-112)

Thank God also for all of you who did the same think on your areas, may the name of God be lifted up in this world through all of us who keep our faith in Him!
