

Love the LORD, all his saints! (Psalm 31:23-24)

Dear brothers and sisters,

It is a great joy to share with you about our Lord and savior Jesus Christ. With great hope and love we write to all of you who are humble and faithful. Our God is eternal, holy and all powerful; He is faithful and true, glorious and mighty! Who can stand before His power and wisdom? Whom scientist can explore and measure the depths of His love? Who doctor can heal the plagues of sin? Is there any power in the dust that overcomes death? The sin stands upon the earth as a wild beast against His people, like a lion that is ready to attack them, like an army who is ready to conquer them. But we know that in God we have the victory and sin is nothing more than destruction. We know that we are more than conquerors through Jesus Christ! When we are afraid we will trust in Him, when we are strong we will stand still and obey Him, when we are disappointed we will stand still and always remain faithful in Him, when we are happy we will stand still and always glorify Him.

Praise God, Altin & I are doing ok it is always a big challenge and a wonderful blessing to be surrounded by His people and in the same time to proclaim Him in this city!

As always also in this week... we have been blessed to be in His field and it is encouraging to know how God opens doors to make His name known. We are thankful to God that we have been able to contact and spent some time with two young men here in Fier (Klodi & Kujtim). Please pray that God may open their minds and hearts so that they might accept His wonderful blessing!

Also during the week we have had bible study with Esi & Redona. We thank God for their faith and desire that they have to study God's word more and more!

They have been a real encouragement to us and in the same time a big challenge for us to study God's word with a deeper understanding.

Wednesdays Bible class...

We are still going through the book of Romans, we studied the 8th chapter. Studying the book of

Romans it is so encouraging and so uplifting. Altin challenged us to be led by the Spirit of God and not by the flesh. We are thankful to God for His people in Fier and we pray that all of us might come toward maturity in Christ!

Sunday worship...

Even though the cold weather and the rainy days have started here in Albania didn't stop the church of Fier to come altogether on Sunday to worship our Lord. This time we were 13 members and 2 nonmembers who gathered and participated in the Lord's Day! Altin challenged us with the question "Who is your treasure?"(Mark 10:17-31)!

Prayer requests:

Please, pray for Esi's friend (Shpresa) she is diagnosed with cancer pray that she might come and know the true Healer! Pray for Petraq's niece (Vera) she is also going with some health issues, so please keep her in your prayers.

Pray for the two young men (Klodi & Kujtim) so that they might come to know our God and Savior Jesus Christ!

Continue to pray for Esi & Redona so that God may strengthen their faith!

Brothers, keep praying for us so that God may give to us enough wisdom and strength so that through Him we might overcome and destroy all the devil's schemes!

To His glory and Power.

Altin & Edi
