

Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God. (Colossians 3:16)

Our **Master** loves us dearly, for He gave His best for us. And for this very reason we are not of this world (1 Peter 2:11). God loves us very much, but in the same time God has high expectations for us.

That's why we are being asked that Christ has to dwell in us richly, not the world. We are being asked to encourage one another, not discourage, we are being asked to help one another to grow in faith, not to be a stumbling block to one another.

Sharing God's Word, requires spending a lot of time getting to know people, which means a lot of time for coffee, and a lot of time calling for figuring out when it's a good time for coffee. And after a while it becomes the routine of the day, and may come in conclusion you have accomplished nothing. But when you see results like people start to call you back, start to respect more, start to trust you more, start to ask for your help. It's like seeing light at the end of tunnel. Well that's all about seeing the potential of people.

Fellowship with One another!

Another thing that is important and keeps the body strong and makes it grow, it is "Love" (1) For God, (2) for one another, and (3) Love for the Lost. Once you are reconciled with God, you have to reconcile with every brothers and sisters, once you do the 1st & 2nd the 3rd thing is having the love for the lost, and when everyone has it growth it's easy, because everyone is doing what should be doing.

So one the things that we are trying to do, is having fellowship with one another, having coffee, and having a meal, spending more time with one another.

This is after a meal together.

Children Class.

We also soon hopefully, going to start children class again this month, for a month and half we have stopped doing it, due to classes and private curses that the children are taking.
